

STOCKTON TO LEAD SYMPHONY ORCHESTRA

"BOSTON, March 16.—To C. Hedemann, Honolulu: Arrived today. Terms accepted. Letter follows.

"STOCKTON, "Bandmaster."

By the arrival of the foregoing cablegram, the hearts of the Honolulu Symphony Association were made to rejoice at the rehearsal meeting last night.

The Symphonists had about given up hoping for the engagement of the famous bandmaster. Mr. Busch had been giving them so much satisfaction as orchestra leader that they were not going to look abroad for anyone else if they had not heard favorably from Mr. Stockton. The Society, once Mr. Stockton takes hold of the orchestra, will probably lose no time in consummating the formation of the long-projected choral branch.

ONE OF THE TRIUMPHS OF MODERN SURGERY—By applying an antiseptic dressing to wounds, bruises, burns and like injuries before inflammation sets in, they may be healed without maturation and in one-third the time required by the old treatment. This is one of the greatest discoveries and triumphs of modern surgery. Chamberlain's Pain Balm acts on this same principle. It is an antiseptic and when applied to such injuries causes them to heal very quickly. It also allays the pain and soreness. Keep a bottle of Pain Balm in your home and it will save you time and money, not to mention the inconvenience and suffering such injuries entail. For sale by all dealers.
